Helping people grow

Existing Schools Discount

As the Strengthening Minds' community continues to grow, so does our appreciation for the **125 schools nationwide** that are delivering our programmes of wellbeing support. As a 'thank you' for this, we are delighted to offer your school the opportunity to purchase an additional programme of your choice at an **incredible discount**. With this offer, each programme can be purchased for £595 - usually £1595 - offering a saving of £1000. Please note, this is an exclusive offer to schools who are **already a part of the Strengthening Minds' community**. Take a look below to see a list of our available programmes as well as the benefits of one of our training packages.

Training Package - Overview

Our exclusive offer is only available through our '**Training Package**', providing an opportunity for up to 5 members of school staff to attend a 60-minute virtual training session (taking place January 2023), equipping them with everything needed to successfully take the programme forward. **Here's what is included as part of one of our training packages -**

All 10 of the interactive PowerPoint sessions to guide learning

Full programme documentation, which includes monitoring and evaluation material

x10 physical copies of the 'Student Workbooks' and access to the printable version

x2 physical copies of the 'Facilitator Session Plans' and access to the printable version

Access to three differentiated levels of the programme

Year-round support from a member of the Strengthening Minds' team

The required programme resource box which contains all physical resources that are needed to successfully deliver a programme of support

To utilize this great opportunity, your school must email **stevedaniels@strengtheningminds.co.uk** by **Friday 16th December**, stating the additional programme that you would like to purchase.

Best Wishes,

Steve Daniels
